

## Career Connection

### Wessington Springs Junior High FCCLA Chapter 2016-2017

Chapter members explored the 16 career clusters through their Career Connections Project – Your Decision...Get a Career Not a Job. For each career clusters, the 8<sup>th</sup> grade members participated in hands-on activities related to careers in the cluster. Some activities related to the career clusters included a mock accident with a tour of the medical facilities and associated careers, a tour of the careers at the courthouse and observation of the county court in session, and the construction and interior design of a doll house. Other specific activities are highlighted below.

For the Arts, A/V Technology and Communications Career Clusters, members hosted a news broadcast on the school television station and the school Facebook page highlighting activities for the week.

For the Education and Training Career Clusters members taught mini lesson to elementary students on a variety of subjects.

For the Business, Management, and Administration; Marketing; and Finance Career Clusters members planned, opened, and closed a microbusiness for the chapter's Holly Jolly Mall.
