

Presentation to Local Organization Wessington Springs Senior FCCLA Chapter 2016-2017

Chapter members partner with the Springs Area Community Club (SACC) for several projects throughout the year. Chapter member, Carolyn Groves, presented information on the chapter's Lead2Feed project to SACC at one of their weekly meetings. She shared information about the program and her project through an informational display. The display was used to inform community families about the program, also.

Members continued to work with the editor of the local newspaper to contribute photographs of chapter and school projects and events. One of the members worked as an intern at the newspaper office for one of her family and consumer sciences courses. She was instrumental in creating many of the chapter's advertisements in the newspaper.

Meet True Dakotan's fall intern, WSHS junior Cadee Schelske

The True Dakotan staff welcomes Wessington Springs High School junior Cadee Schelske as the newspaper's graphic design and photography intern. With one week under her belt, Cadee has already gotten her feet wet with Adobe's Photoshop and InDesign software programs and will continue helping in a design capacity through December.

Cadee will help design print and web ads, layout pages and edit photos under the guidance of True Dakotan Editor/Publisher Kristi Hine. "We're very excited to have Cadee on board," said Hine. "She has already shown a lot of enthusiasm about graphic design and this internship will not only help her navigate through the visual arts but will also help our busy staff in the advertising department."

Outside of school Cadee is active in 4-H, volleyball, basketball, FCCLA, church activities and helping on her family's cattle ranch. She will work at the True Dakotan Wednesday through Friday mornings throughout the semester.
