

Student Body Wessington Springs Junior High FCCLA Chapter 2018-2019

The 8th Grade Mini-chapter was concerned about the lack of nutritious snacks available to students at midmorning. They felt that students are hungry at that time and a nutritious snack would help them concentrate on their schoolwork prior to lunch. They organized and opened a Snack Shack for middle school and high school students during the morning.

Quenton Walls and Austin Schimke help students purchase a mid-morning snack.

Members will promote physical fitness through a 3-on-3 Tournament on March 2nd. The tournament also will raise money for the city summer recreation program.
