

Families First – Celebrating Our FCCLA  
Families  
Wessington Springs Junior High FCCLA Chapter  
2019-2020

To celebrate our FCCLA families, members hosted a special “FCCLA Families” table at our soup supper fundraiser. Members encouraged families to take time during the basketball games to enjoy a bowl of soup and conversation with family members.

Family members enjoy a “few minutes” together before the basketball players go off to play in the game.

Members also created a “Celebrate Our FCCLA Families” display during FCCLA Week. They will continue to add to this display during March and April and display it at our annual Recognition Banquet.
