

Membership Campaign

Wessington Springs Junior High FCCLA Chapter

2019-2020

FCCLA is integrated into all family and consumer sciences courses. At the junior high level there is an introductory course offered – Choices for Your Future, which is required of all eighth grade students. All 8th grade students were enrolled in this course. The chapter has a total of 17 members. Because all students in the 8th grade class are involved in FCCLA through the integration of the organization in their required course, a membership campaign is not necessary. These students are invited to attend 2 Senior FCCLA chapter membership events.

The Wessington Springs Senior FCCLA Chapter held a Membership Kickoff on September 13th and a Christmas Party on December 12th. Junior High Chapter members were invited to these events and several attended. Members participated in fun activities and learned more about the FCCLA organization and local chapter events and projects.

Junior High members attended the Senior Chapter Membership Kickoff and informational meeting in September.
