

# Leadership Service in Action (Community Service)

## Wessington Springs Senior FCCLA Chapter

### 2017-2018

Members coordinated a project, Supporting Military Reserve and Active Duty Members and Their Families, to aid local military families. The first activity of the project consisted of a fundraiser to raise money for the American Legion Youth Programs, which help youth members of our military families and other families in our community. The activity included a supper, bake sale, silent auction, and Chuck-a-duck activity. Through the activity, the chapter raised approximately \$1500 for the youth programs. Additional activities, which will be carried out during March, include collecting and distributing essential items to people serving in the military.

# **Supporting our Military Reserve & Active Duty Members and their Families**

## **CARE PACKAGES for our troops overseas**

### **FCCLA Chapter Service Project**

#### **WSHS Senior FCCLA Chapter**

**Requesting donations for care packages to send to our U.S. troops overseas.**
