"SAY THANKS" - FCCLA Shout Out to Mrs. Mohling

Thank you for being supportive and inspiring in my journey both in and out of school. When I first came to this school, I already knew what I wanted to do, but you gave me even more reason to want to become a teacher. Your passion and devotion to teaching is inspiring to me as someone who has always wanted to teach and you've given me a personal goal to, one day, be as great a teacher as you. Your undying support for not only me but every student in your class makes me feel like I can truly be myself at school, no matter what happens. Once again, for everything you have done, thank you.

Ronald

Wednesday also was the annual “Steal Your Heart” Day where girls were not to talk to boys. If they did, they lost their heart. Clayton Dornbusch was the winner for the day with 9 hearts from girls!

Friday was “Unite in Red” Day. Every person who wore red was given a “golden” treat.

Wearing “Red” is gold...

Thank you for supporting  
FCCLA!!!
