

Families First – Angel Tree and Adopt a Family Wessington Springs Senior FCCLA Chapter 2019-2020

FCCLA Angel Tree helps provide Christmas gifts for local kids in need

One of the many service-oriented projects that WSHS FCCLA students are spearheading during the holidays is an Angel Tree.

With a focus on giving back during the holidays, the event management class receives recommendations from elementary school teachers on families who might need extra help this Christmas. The Angel Tree is located at American Bank & Trust in Wessington Springs and according to FCCLA students Angeleena

McGeough and Brock Stevens (shown above), it is a rewarding way to give back to the community.

Chapter members again sponsored the community Angel Tree at the local bank for Christmas to help children and families have a happier Christmas. This has become an FCCLA tradition that the community expects.

Members also selected families for their annual Adopt a Family Holiday Food Basket program at Thanksgiving and/or Christmas. The Christmas basket was delivered to the family of a former FCCLA member who passed away after a long battle with cancer.
